

From the Desk of Victoria...

I have been doing a lot of traveling these past few months. In February I went to Philadelphia. It was my first time there and I will never forget the thrill of visiting Independence Hall and the Liberty Bell!

How blessed we are to be Americans! At a time in our political history when certain presidential candidates have embarked on their "America stinks" campaigns, I would beg you to remember the heroic men and women who gave their lives for our country. Look at the inscription on the monument on the cover of this newsletter. It says, *"Freedom is a light for which many men have died in darkness."* A portion of George Washington's farewell address, also engraved on the monument, states, *"The independence and liberty you possess are the work of joint councils and joint efforts, of common dangers, sufferings and success."*

This year's "NightVision 2K8" theme is "Let Freedom Ring!" Held on the July 4th weekend, we will be proudly honoring our military. If you are currently serving in the armed forces or a veteran, we would love to see you there!

Last March I was privileged to be a guest on Christian television's Trinity Broadcasting Network. In the "Behind The Scenes" segment, I shared with host Paul Crouch, Jr. my testimony, the origin of Praise Him Ministries, and some details about "NightVision 2K8." As a result, my staff received very encouraging telephone calls and emails from TBN viewers around the world! It was a great blessing to us.

I have been invited to appear on TBN again in October. Please pray that the LORD will use Praise Him Ministries in a mighty way to shine His Light into the darkness of these last days before Jesus Christ's return!
